

# The Excitement About My Relationships

## Exodus with the Spirit of Excellence

### July 2024

**True Love brings forth commitment and excitement in all true relationships.** A commitment to excellence and excitement of being a better me to God, spouse, family, friends, ministry and everything that I am assigned to do in this life. It is so important for me to stay excited and committed to **God First. KEEP THE FIRE BURING!!** God has kept his commitment by giving his only Son. Jesus the Son, has kept his commitment by giving his life and rose on the third day!! Now it is up to me to be **EXCITED** about GOD'S WILL and fulfill my assignment with the **SPIRIT OF EXCELLENCE**. I refuse to allow anything, anyone or any spirit to get between the EXCITEMENT that MY GOD has assigned for My Life from this day forward. I need to be committed and excited about spending time with God daily and applying God's Word to my life. God wants me to be obedient to him and love him with all. As I learn to love God, he will give me the love for my spouse, family, friends, and enemies, etc. **I need to also thank the Lord for me and be excited about his plans for me!! This is for his glory!! I can't love and celebrate others in the Lord if I don't love and celebrate myself in the Lord!!!** This is not arrogance, **this is CONFIDENCE in God!**
